

Top Off Imagination With Pure Precision

120 mm Deep Skirt Smooth Wall

Features to choose from:

- Various liners including foam, pulp, or heat induction
- Mechanically vented liners—popular for nutraceutical powders
- Different liner shapes—round-cut, tri-tab or hex-tab
- Stock or custom colours with low MOQs

Our 120 deep skirt smooth wall, with standard 400 thread finish, has polished sides and top making your products a pleasure to use.

With more than 50 years experience, Pano Cap delivers closure solutions for small, medium and large-sized companies in the industrial, nutraceutical, pharmaceutical, food & beverage, health & beauty, and pet product industries.
